Student Internship Evaluation Form

To be completed by student

Name: Amponsah Denis Boahen

Registration Number:
PS/CSC/21/0013

Company/Institution: **Galaxium technology private limited (Heybuddy - beyond reality)**

To be completed by Immediate Supervisor

Name of Supervisor: _____Kapil Panchal_____

Contact Phone: _____+919318398188_____

Start Date: ___1st September, 2024_____ **Finish Date**____30th October 2024_____

Briefly explain/describe the job performed by the student:

Denis is a highly skilled frontend developer with a proven track record of delivering exceptional results. His meticulous attention to detail ensures that every aspect of his work meets the highest standards of quality.

In addition to his frontend expertise, Denis is actively expanding his skillset by delving into data structures and algorithms (DSA) and backend programming languages. His dedication to continuous learning makes him a valuable asset to any team.

Rate the following items (Circle one, 5 is the highest rating):

• How quickly did the student gain competency? 1 2 3 4 5

Comments: _____5_____

_____

• How much self-motivation did the student show? 1 2 3 4 5

Comments: _____5_____

_____

• How well did the student complete work in a timely manner? 1 2 3 4 5

Comments: _____5_____

_____

1

• How well did the student fulfil the requirements and skills of the job? 1 2 3 4 5

Comments:_____5_____

_____

• What problem solving/decision making skills were identified and enhanced during the
Internship?

Denis has developed strong problem-solving and decision-making skills during his internship. His experience in frontend development and his pursuit of DSA have helped him become adept at debugging, designing algorithms, and adapting to new challenges. These skills are essential for success in technical roles.

• What technical skills were gained or enhanced during the internship?

Debugging

Design algorithm

• What academic and/or work related recommendations do you have for the student?

Learn more about DSA, you can be a good fullstack developer

• Would you accept this candidate for future employment? Yes / No

Yes

Additional Comments:

Nothing, I have mentioned overall comments above

Supervisor's Signature: _____ Date: __30/8/2024

Please do well to help the **Department Of Computer Science and Information Technology** by returning the completed form to:
